## 2010 CONSTITUTIONAL CONVENTION

### *Statement of Purpose*

*The purpose of the Convention is to propose substantial reform to Union's By-laws currently dated 1984.*

*It is the intent of the Executive Board that modifications resulting from the Convention reflect an improved efficiency or process in the governance and operations of the Union.*

*Any resolve to amend the 1984 By-laws through this Convention will be subject to the approval of the Executive Board and ratification vote of membership as outlined in Article IX.*

*The Executive Board also intends to utilize this opportunity to expand the breadth and knowledge of those who participate in Union activities. In each and every instance practicable Convention organizers, committees and delegates shall be encouraged to promote the principles of Union democracy and representative governance.*
